UPDATE ON COVID-19

Attention Residents, Resident Representatives, Families and Staff:

With the continued on-going surveillance testing since the first case on 5/9/2022, we tested all residents and staff on 5/21 and again 5/23, which **yielded all residents and staff a negative test result.** The next and final round of testing will be Wednesday, 5/25.

We will continue to provide frequent updates. **We will contact you directly if your loved one is suspected or diagnosed with COVID-19.** Hale Ola Kino's Infection Preventionist is in contact with both our Medical Director, Dr. Albert Yazawa, and the State Department of Health for updates and guidance.

As a reminder to everyone, DO NOT come to the community if you are experiencing any COVID-19 symptoms or you have been exposed to the virus or waiting for results of a COVID-19 test.

Mahalo for your kokua as we all work together to keep our staff and residents healthy and safe. If you have any questions or concerns, please contact us at (808) 983-4444.

Warm regards,

Jolene Kageyama
Executive Director & Administrator
