UPDATE ON COVID-19

Attention Residents, Resident Representatives, Families and Staff:

On June 21, 2022, a fully vaccinated resident tested positive for COVID-19. Contact tracing was completed, and all staff and residents underwent surveillance COVID testing. All tested negative.

On Thursday, June 23 and Friday, June 24, on-going surveillance testing yielded all residents and staff negative for COVID-19. The next round of testing will be Tuesday, June 28.

We will contact you directly if your loved one is suspected or diagnosed with COVID-19. Hale Ola Kino's Infection Preventionist is in contact with both our Medical Director, Dr. Albert Yazawa, and the State Department of Health for updates and guidance.

As a reminder to everyone, DO NOT come to the community if you are experiencing any COVID-19 symptoms or you have been exposed to the virus or waiting for results of a COVID-19 test.

Mahalo for your kokua as we all work together to keep our staff and residents healthy and safe. If you have any questions or concerns, please contact us at (808) 983-4444.

Warm regards,

Jolene Kageyama
Executive Director & Administrator
